To Do/Active List iPad

On the iPad the way Non-Conformances are organised is different from the Desktop. On the Desktop the Non-Conformances are just in one list but on the iPad this List is split up into To Do and Active Lists.

To Do List contains :

- Non-Conformances that are **assigned** to you and have a status of:
    - Open
    - InProgress
    - Reopened
- Non-Conformances which are InReview and you are the **reporter** of.

Active List contains :

- Non-Conformances which you are the **reporter** of and has a status of:
    - Open
    - InProgress
    - Reopened
- Non-Conformances which you are **assigned** and is InReview.
